

Map A. Required Separation Distances for New Medical Marijuana Dispensaries
- Based on pending land use applications filed through 6/9/2016 -
For reference purposes only, no guarantee is made on completeness or accuracy

Medical Marijuana Dispensaries permitted in Commercial and Mixed Use areas only

Medical Marijuana Dispensaries must be at least:

- 1,000 ft from K-12 Schools
- 150 ft from Child Care Facilities
- 150 ft from Developed State, Community, Neighborhood, Regional or Urban Plaza Parks
- 1,000 ft from an existing dispensary

- | | |
|-----------------------|--|
| K-12 Schools | 1000 ft of a School |
| Child Care Facilities | 150 ft of a Child Care Facility |
| Public Parks | 1000 ft of Dispensary |
| | 150 ft of a Park |
| | General Plan designation allows retail |

Notes: General Plan designations shown would allow marijuana retail uses (CB, CC, CG, CL, ME, MR). Separation distances measured radially from property boundary.

Map created 6/10/2016 by CDD Planning Division - for planning purposes only. Data sources: Oregon State GIS Clearinghouse, Deschutes County, City of Bend, BPRD, and Oregon Health Authority for licensed dispensaries; School data updated 12/24/15
