5 sales to qualifying patients and consumers, such as by requiring separate counters;

6 (2) Ensure fair competition between vertically integrated cannabis establishments
7 and other cannabis establishments, including by requiring any vertically integrated retail cannabis
8 stores to stock and reasonably price a variety of products from cannabis establishments it is not
9 affiliated with; and

10 (3) Provide penalties for any cannabis establishments affiliated with alternative
11 treatment centers that increase prices for qualifying patients beyond the rate of inflation as a result
12 of their cannabis establishment registrations.

13 (t) Reasonable health and safety restrictions on cannabis accessories that may be
14 manufactured or sold in New Hampshire, including a prohibition on any vaporization device that
15 includes toxic or addictive additives. The commission may prohibit types of vaporizers that are
16 particularly likely to be utilized by minors without detection, but may not completely ban or
17 unreasonably restrict the manufacture or sale of vaporization devices.

18 II.(a) In order to ensure that individual privacy is protected, the commission shall not
19 require a consumer to provide a retail cannabis store with personal information other than
20 government-issued identification to determine the consumer's age, and a retail cannabis store shall
21 not be required to acquire and record personal information about consumers.

22 (b) In order to ensure that individual privacy is protected, no cannabis establishment
23 may record or store a consumer's name, address, purchases, or contact information unless the
24 consumer consents in writing. No cannabis establishment may make granting permission for the
25 collection or storage of the above information a condition of a consumer purchasing cannabis from
26 the establishment.

27 III. Not later than May 1, 2020, the commission, in consultation with the department, shall
28 develop an informational handout, which retail stores shall make available to all consumers, and

31 after it is ingested in each manner; and

32 (b) How to recognize problematic usage of cannabis and how to obtain appropriate
33 services or treatment for problematic usage.

34 IV. The commission shall require all cannabis establishments to utilize a system, including
35 use of a universal product code, for tracking the transfer of cannabis and cannabis products
36 between licensed cannabis establishments and the sale of cannabis and cannabis products to
37 consumers. The system shall ensure an accurate accounting of the production, processing, and sale

1 of cannabis and cannabis products and shall enable separate tracking of cannabis flowers,
2 immature cannabis plants, and other parts of cannabis sold from cannabis cultivation facilities. The
3 commission may develop and maintain a system that satisfies the requirements of this section, or it
4 may select a vendor to develop and maintain a system.

5 V. No later than September 1, 2021, and every year thereafter, the commission shall
6 reevaluate the tax rate and method of taxation established in RSA 77-H, and the fines and penalties
7 established in RSA 318-F, and shall report in writing on its findings and recommendations to the
8 chairpersons of the house and senate ways and means committees.

23 unless:

24 (1) The commission finds the applicant is not in compliance with the requirements
25 of this chapter or rules adopted under this chapter;

26 (2) The commission is notified by the relevant municipality that the applicant is not
27 in compliance with an ordinance adopted pursuant to this chapter and in effect at the time of
28 application; or

29 (3) More qualified applicants have applied than the number of registrations
30 available in the municipality, and the applicant was not selected.

31 IV. Each registration applies to a single parcel of real property. Any additional address
32 requires a separate application and registration.

33 V. A renewal application may be submitted up to 90 days prior to the expiration of the
34 cannabis establishment's registration. The renewal application shall be granted within 30 days of
35 its submission unless the applicant has not paid the fee, the cannabis establishment's registration is
36 suspended or revoked, or the cannabis establishment has a pattern of violations of this law, the
37 rules issued pursuant to it, or municipal regulations.

1 318-F:11 Enactment of Municipal Ordinances.

2 I. A municipality may enact an ordinance prohibiting or limiting the number and type of

9 responsible for indicating whether the application is in compliance with municipal ordinances.

10 318-F:12 Financial Interests Prohibited.

11 I. No cannabis testing facility or individual with a controlling interest in a cannabis testing
12 facility shall have a direct or indirect financial interest in a retail cannabis store, a cannabis
13 cultivation facility, or a cannabis product manufacturing facility.

14 II. Prior to January 1, 2023, no person or business entity may have a controlling interest in

16 III. Beginning January 1, 2023, no person or business entity may have a controlling
17 interest in more than 20 percent of operational cultivation facilities, product manufacturing
18 facilities, or retail cannabis stores, unless the person or business entity has a controlling interest in
19 no more than 3 cannabis establishments of a single category. After January 1, 2023, no person or

1 318-F:15 Restrictions on Location. No cannabis establishment shall operate, nor shall a
2 prospective cannabis establishment apply for a registration, if:

3 I. The establishment would be located within 1,000 feet of the property line of a pre-existing
4 public or private elementary or secondary school, unless the municipality where the establishment
5 seeks to operate has established a smaller distance limitation; or

6 II. The establishment sells alcohol for consumption.

15 are included in the product.

16 III. All cannabis products sold by retail cannabis stores shall include:

17 (a) A warning label that provides, “Caution: When eaten or swallowed, the intoxicating
