### CHAPTER 93

An act to amend Section 26040 of the Business and Professions Code, and to amend Sections 34010, 34012, and 34019 of the Revenue and Taxation Code, relating to cannabis, and making an appropriation therefor, to take effect immediately, bill related to the budget.

[Approved by Governor September 18, 2020. Filed with  
Secretary of State September 18, 2020.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 1872, Committee on Budget. Cannabis.

(1) The Control, Regulate and Tax Adult Use of Marijuana Act of 2016 (AUMA), an initiative measure approved as Proposition 64 at the November 8, 2016, statewide general election, authorizes a person who obtains a state license under AUMA to engage in commercial adult-use cannabis activity pursuant to that license and applicable local ordinances. The Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA), among other things, consolidates the licensure and regulation of commercial medicinal and adult-use cannabis activities. MAUCRSA establishes in state government a Cannabis Control Appeals Panel to review specified decisions of licensing authorities appealed by any person aggrieved by those decisions. MAUCRSA requires that the panel consist of one member appointed by the Senate Committee on Rules, one member appointed by the Speaker of the Assembly, and 3 members appointed by the Governor, as specified. Existing law requires that each member, at the time of their initial appointment, be a resident of a different county from the one in which either of the other appointed members resides.

This bill would limit the residency requirement to the members of the panel appointed by the Governor.

(2) AUMA imposes an excise tax commencing January 1, 2018, on the purchase of cannabis and cannabis products at the rate of 15% of the average market price of any retail sale by a cannabis retailer. Existing law defines average market price in an arm's length transaction to mean the average retail price determined by the wholesale cost of the cannabis or cannabis products sold or transferred to a cannabis retailer, plus a mark-up, as determined by the California Department of Tax and Fee Administration on a biannual basis in six-month intervals.

This bill would prohibit the department from increasing the mark-up amount during the period beginning on and after the operative date of the bill and before July 1, 2021.

(3) Commencing January 1, 2018, AUMA, and as additionally amended by statute, also imposes a cultivation tax upon all cultivators on all harvested

cannabis that enters the commercial market, at specified rates per dry-weight ounce of cannabis flowers and leaves, as specified. AUMA requires, beginning January 1, 2020, these tax rates to be adjusted by the California Department of Tax and Fee Administration annually thereafter for inflation.

This bill would, notwithstanding that requirement, prohibit those tax rates that are imposed in the 2021 calendar year from being adjusted for inflation unless the adjustment is for an inflation rate that is less than zero.

(4) AUMA requires the Department of Finance to estimate revenues to be received from specified taxes on cannabis and cannabis products and to provide those estimates to the Controller no later than June 15 of each year. AUMA requires the Controller to use these estimates to disburse funds deposited in the California Cannabis Tax Fund, a continuously appropriated fund, in accordance with specified requirements. AUMA requires the Controller, by July 15 of each fiscal year beginning in the 2018-19 fiscal year, after making other specified disbursements from the California Cannabis Tax Fund, to disburse 60% of the funds deposited during the prior fiscal year into the Youth Education, Prevention, Early Intervention and Treatment Account, 20% into the Environmental Restoration and Protection Account, and 20% into the State and Local Government Law Enforcement Account. Of the 20% deposited into the State and Local Government Law Enforcement Account, AUMA requires the Controller to disburse moneys from the State and Local Government Law Enforcement Account to the Board of State and Community Corrections for grants to local governments to assist with law enforcement, fire protection, or other local programs addressing public health and safety associated with the implementation of AUMA. AUMA prohibits the board from making grants to local governments that have banned the cultivation, including personal cultivation, or retail sales of cannabis and cannabis products.

This bill would instead prohibit the board from making grants to local governments that ban both indoor and outdoor commercial cannabis cultivation or ban the retail sale of cannabis or cannabis products. By removing a restriction on disbursements from the California Cannabis Tax Fund, a continuously appropriated fund, this bill would make an appropriation.

(5) AUMA authorizes the Legislature to amend its provisions with a  $\frac{2}{3}$  vote of both houses to further its purposes and intent.

This bill would make specified findings and declare that its provisions further the purposes and intent of AUMA.

(6) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

(L) The departments shall periodically evaluate the programs they are funding to determine the effectiveness of the programs.

(M) The departments may use up to 4 percent of the moneys allocated to the Youth Education, Prevention, Early Intervention and Treatment Account for administrative costs related to implementation, evaluation, and oversight of the programs.

(E) Funds allocated pursuant to this paragraph shall be used to increase and enhance activities described in subparagraphs (A), (B), and (C), and not replace allocation of other funding for these purposes. Accordingly, annual General Fund appropriations to the Department of Fish and Wildlife and the Department of Parks and Recreation shall not be reduced below the levels provided in the Budget Act of 2014 (Chapter 25 of the Statutes of 2014).

(3) Twenty percent shall be deposited into the State and Local Government Law Enforcement Account and disbursed by the Controller as follows:

(A) To the Department of the California Highway Patrol for conducting training programs for detecting, testing and enforcing laws against driving under the influence of alcohol and other drugs, including driving under the influence of cannabis. The department may hire personnel to conduct the training programs specified in this subparagraph.

(B) To the Department of the California Highway Patrol to fund internal California Highway Patrol programs and grants to qualified nonprofit organizations and local governments for education, prevention, and enforcement of laws related to driving under the influence of alcohol and other drugs, including cannabis; programs that help enforce traffic laws, educate the public in traffic safety, provide varied and effective means of reducing fatalities, injuries, and economic losses from collisions; and for the purchase of equipment related to enforcement of laws related to driving under the influence of alcohol and other drugs, including cannabis.

(C) To the Board of State and Community Corrections for making grants to local governments to assist with law enforcement, fire protection, or other local programs addressing public health and safety associated with the implementation of the Control, Regulate and Tax Adult Use of Marijuana Act. The board shall not make any grants to local governments that ban both indoor and outdoor commercial cannabis cultivation, or ban retail sale of cannabis or cannabis products pursuant to Section 26200 of the Business and Professions Code or as otherwise provided by law.

(D) For purposes of this paragraph, the Department of Finance shall determine the allocation of revenues between the agencies; provided, however, beginning in the 2022–23 fiscal year the amount allocated pursuant to subparagraph (A) shall not be less than ten million dollars (\$10,000,000) annually and the amount allocated pursuant to subparagraph (B) shall not be less than forty million dollars (\$40,000,000) annually. In determining the amount to be allocated before the 2022–23 fiscal year pursuant to this paragraph, the Department of Finance shall give initial priority to subparagraph (A).

(g) Funds allocated pursuant to subdivision (f) shall be used to increase the funding of programs and purposes identified and shall not be used to replace allocation of other funding for these purposes.

(h) Effective July 1, 2028, the Legislature may amend this section by majority vote to further the purposes of the Control, Regulate and Tax Adult Use of Marijuana Act, including allocating funds to programs other than those specified in subdivisions (d) and (f). Any revisions pursuant to this subdivision shall not result in a reduction of funds to accounts established pursuant to subdivisions (d) and (f) in any subsequent year from the amount allocated to each account in the 2027–28 fiscal year. Prior to July 1, 2028, the Legislature may not change the allocations to programs specified in subdivisions (d) and (f).

SEC. 5. The Legislature finds and declares that this act furthers the purposes and intent of the Control, Regulate and Tax Adult Use of Marijuana Act, enacted as Proposition 64 of 2016.

SEC. 6. This act is a bill providing for appropriations related to the Budget Bill within the meaning of subdivision (e) of Section 12 of Article IV of the California Constitution, has been identified as related to the budget in the Budget Bill, and shall take effect immediately.
