Untold agricultural, industrial, recreational and traditional healing methods are thwarted selfishly. SAHPRA should stay in their lane. They should only concentrate on the control of medicines which require a doctor's prescription and free cannabis and hemp for all other uses immediately and to the benefit of all of the peoples of South Africa.

LEGAL ACTION:

BFASA has vowed to institute legal action against SAHPRA for their procrastination and blatant disregard of promises made in public and undertakings given to provide pre-licenses to six entities listed below:

PERMIT FOR PROTEST ACTION:

A permit to march has been granted by metro police

WHY MUST SAHPRA BE SHUT DOWN:

- A. SAHPRA has handed over our Cannabis industry to white monopoly colonialists. (Racists)
- B. SAHPRA services and maintains the white monopoly colonialists in our cannabis industry with no thought of improving and allowing the less fortunate and previously disadvantaged into the industry.
- C. Their licensing system is rigged with ridiculous systems that are expensive to ensure that our previously disadvantaged has minimal method of entry.
- D. SAHPRA's board mentions on record that Dr. Zweli Mkhize, Minister of Health is too blame for the monopolization of the Cannabis Industry because it is him who grants the licenses to the white owned companies and if that is the truth then Dr. Zweli Mkhize must step down !
- E. SAHPRA gives no support or opportunity for black farmers who cannot afford their "normal" standard of entry.
- F. SAHPRA must shut down as they clearly cannot steer our cannabis industry with a sustainable and inclusive manner.

- G. SAHPRA supports the white monopoly colonialists by using an Act of 1965 to govern their licensing.
- H. SAHPRA disregard our constitution that supports black economic empowerment as basic rule.
- I. SAHPRA must shut down and face deeper investigation from the SPECIAL INVESTIGATION UNIT
- J. All that are currently involve in SAHPRA processes should be charged criminally, for being constitution delinquents.

Thousands of BFASA members and affiliates will be mobilized in support of this action. You will know by now the role which BFASA plays in bridging the interested parties (Indigenous People, Monarchs, Traditional Healers, Rural Agriculture) with the commercial road to market for all cannabis and hemp products from seed to end users. The people have spoken.

ON BEHALF OF THE PEOPLE.

DR LENNOX XOLILE MTSHAGI
President
