

Meet the Legal Team Fighting the DEA to Save Psychedelic Research

an article by Elena Schmidt

PSYCHEDELICS TODAY

The DEA is trying to ban DOI and DOC, two compounds researchers say **could be vital to unlocking depression and addiction.**

PSYCHEDELICS TODAY

If the DEA succeeds,
research will be severely
restricted, **halting major
scientific progress.**

Attorney Robert Rush
is leading **a legal fight**
to protect science in a
November hearing.

PSYCHEDELICS TODAY

Meet the legal team
and learn how you can
help **at the link.**
