

Health and Safety Advisory: Levels IV Inc and SKL Holdings III LLC

January 13, 2025 - The Colorado Department of Revenue (DOR), in conjunction with the Colorado Department of Public Health and Environment (CDPHE), is issuing a health and safety advisory due to the identification of contaminated and potentially contaminated Regulated Marijuana flower (bud/shake/trim) produced by **Levels IV Inc and SKL Holdings III LLC**.

The CDPHE and DOR deem it a threat to public health and safety when marijuana is found to have Total Yeast and Mold above the acceptable limits established in [Colorado Marijuana Rule 4-215](#). This advisory includes Harvest Batches tested and found to have exceeded acceptable limits established for Total Yeast and Mold as well as Harvest Batches that were produced at the same time and location as the contaminated batches, identified below as potentially contaminated.

The affected product is listed below by license number and Harvest Batch and was sold between **December 28, 2023 and December 11, 2024**. The locations that sold the affected product are also included below.

Consumers who have this affected marijuana in their possession should destroy it or return it to the Regulated Marijuana Store from which it was purchased for proper disposal. Consumers who experience adverse health effects from consuming the Regulated Marijuana should seek medical attention immediately and report the event to the Marijuana Enforcement Division by submitting a [MED Reporting Form](#).

All Regulated Marijuana must have a label affixed to the container that, at a minimum, indicates the license number of the Regulated Marijuana Business that cultivated the marijuana and the Harvest Batch number assigned. **Consumers should check the label of their flower for the following license numbers and Harvest Batch numbers.**
