The locations that sold the affected product are also included below.

Individuals who possess this affected product should destroy it or return it to the store from which it was purchased for proper disposal. Individuals who experience adverse health effects after consuming the affected product should seek medical attention immediately and report the event to the MED by submitting a [MED Reporting Form](#).

All Regulated Marijuana must have a label affixed to the container that, at a minimum, indicates the license number of the Regulated Marijuana Business that cultivated the marijuana, and the Harvest Batch number assigned. **Individuals should check the label of their flower for the following license number and Harvest Batch numbers.**
